

If you have experience as an **Avionics installer** in both piston and turbine aircraft, we may be looking for you.

Muncie Aviation Company, located in Muncie, IN, is seeking a qualified, self-motivated Avionics installer who has a minimum of 10 years experience with such systems as Garmin, Aspen, King, and glass panels. We are an employee owned company (ESOP) which has been in business for 78 years. Excellent compensation based on experience and excellent benefit package is available. Please e-mail resume to avionics@muncieaviation.com.
