

2017 TBM 910

Serial #: 1178 | Registration: N910AB

\$3,150,000.00

Muncie Aviation Company

The TBM 910 gives owners and pilots the advantages of the cruising speeds typical of light jets, but with the economical direct operating costs of a single-engine turboprop. With a max cruise speed of 330 kts and a max range of 1,730 nm the TBM 910 forges a new chapter in the Socata turboprop legacy. **Call Muncie Aviation today, 800.289.7141 or visit muncieaviation.com**
